**PETITIONING THE COURT**

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 08/08/2024.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

2

**Special Condition #6:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** It is alleged that Mr. D'Auteuil violated the above condition by being terminated from phase urinalysis (UA) testing by the testing vendor on September 5, 2024.

On April 19, 2024, this officer received a report outlining concerning behavior by Mr. D'Auteuil toward staff of the testing vendor. It was reported that Mr. D'Auteuil has a history of rude and disrespectful behavior toward staff when reporting for UA testing, and the continuance of such would result in his denial of services at the vendor site.

This same day, this officer contacted Mr. D'Auteuil via phone and discussed this behavior. Mr. D'Auteuil was warned that continuing such behavior may affect his ability to continue testing at the vendor site and place him at risk of violating his conditions of supervision.

**Re: D'Auteuil, Johnathan Daniel****September 6, 2024****Page 2**

On September 5, 2024, this officer was again contacted by the vendor who reported that Mr. D'Auteuil's rude behavior has continued to this date. As a result of this ongoing behavior, Mr. D'Auteuil is not welcome back to the vendor's premises.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: September 6, 2024
